Sunny

This morning I made a strange dream.

I saw a superman costume on my bed. I dressed it up and looked at the mirror, 'Wow! I am handsome! '

Suddenly ,my eyes saw Happy Street, a scoundrel was ransacking a woman. I was angry .So I flew up to the sky and looked for the scoundrel.

' Help !Help ! 'I heard a woman screaming .I flew on the ground quickly and captured the thief .I said to him, 'You are repulsive ! I had to bring you to justice ! 'So, I caught him to the police station.

In a sudden ,I felt something was scratching me! I opened my eyes and saw my mum was angry and wanted to hit me! I quickly jumped up and went to school.
