Dear Emily,

Welcome to Hong Kong! I am so happy to know you are going to visit Hong Kong next month. What will you do in Hong Kong? Where will you visit? I have made a schedule for your trip.

On the first day, we will go to Mong Kok first. There are many shops and malls. We can go shopping there. Then, we will visit Tsim Sha Tsui. We will go to Avenue of Stars. We can see some handprints of Hong Kong movie stars. Avenue of Stars is at the waterfront. We can see the night view of the Victoria Harbour. Afterwards, we can take the ferry to watch the night view, too!

The next day, we will visit Hong Kong Wetland Park. We can visit the crocodile at the main entrance first. Then, we can watch the birds, crabs and fish. We can walk over the bridge, too! We will have lunch at the park. The next stop is Ocean Park. We can take photos at the park. We can visit the pandas. Then, we can watch the dolphin show. At night, we can watch the night view at the Peak.

On the third day, we will go to Aberdeen and have lunch at the floating boat restaurant. You can enjoy the dim sum there. Then we will take the plane back home. I'm sure you will enjoy the trip.

See you soon.

Yours,

Gary
