

My Birthday Party

by Ryan Leung Ho Long

Last Saturday, it was my birthday. I had my birthday party at McDonald's. I invited Sigmund and Ryan and my parents to my party.

First, I made a wish and we ate the birthday cake together. Next, we played 'Musical Chairs' and 'Step on the balloons'. I was the winner in 'Musical Chairs' but the loser in 'Step on the balloons'. After that, Sigmund and Ryan gave me two birthday presents, one of them was a cute robot! Another one was a toy gun.

Finally, Sigmund, Ryan, my parents and I went back home together.

I was very happy and joyful because I liked Sigmund and Ryan's birthday presents.
