

## My Birthday Party

by Wincy Tse Wai Sze

Last Saturday was my birthday. I held a birthday party at McDonald's. The party was from three o'clock to five o'clock. My friends, Kiki, Eden, Jamie and Vivian came to my birthday. First, we ate birthday cake, salad and hamburgers. They were yummy. Then, I made a wish. I wished I could get good results on my exams. Next, we played card games and board games. Finally, I got my birthday presents. I got dolls, toy cars, a toy plane and toy trains. I felt happy and excited.
