

*My Trip to Okinawa*

*Jerry Chung Ngo Tin*

*During the summer holidays, my family and I went on a trip to Okinawa.*

*We arrived at the airport early in the morning. We only had breakfast on the plane therefore we were hungry when the plane landed.*

*After getting through Japanese immigration, we grabbed our luggage and took a taxi to our hotel. When we were in our hotel room, I looked through the window and saw the beautiful view of Naha (a city of Okinawa).*

*My dad rented a car and we visited many places such as: beaches, aquariums, adventure parks and other cool places.*

*We also ate a lot of delicious Japanese food. The best dinner I had eaten was the salmon and salmon roe with rice.*

*What a wonderful trip we had!*
