

# The Magic Science Museum

By Yenna Ip

<p>I go to the Science Museum by MTR.</p>	
<p>On the first floor, I play on the computer/ A cat walks out.</p>	
<p>On the second floor, I eat ice cream.</p>	
<p>On the third floor, I see some dinosaurs. They touch me.</p>	
<p>On the fourth floor, I see some funny mirrors. I look in them. I see a flying dolphin.</p>	
<p>I see some pictures on the fifth floor. I touch a picture. The fish swims out.</p>	
<p>I touch the picture again, the fish swims back into the picture. I am happy.</p>
