The Town Mouse and The Country Mouse

Once upon a time there were two mice. They were cousins. The town mouse was rich but he was lazy. The country mouse worked hard on the weekday but he was happy.

One day, the town mouse decided to visit his cousin to find out why he was happy.

The country mouse was bored. He invited some friends to his house and prepared a lot of food to welcome his cousin.

The town mouse enjoyed the meal and smiled at his cousin, 'You have good friends and enjoy your life. That's why you are happy. I have one question, 'Can I have a sleep over?'

The country mouse answered, 'I will ask my mom first'. His mom said 'Yes'. So they had a sleepover. The moral behind is: we can only make friends by being nice.
