*I was free today, so I went out with my friend, Karry to celebrate her ninth birthday. We did three special activities today.*

*Firstly in the morning, we played Switch games. We were very excited because we used to play them once a month. However, we seldom play them now.*

*Then in the afternoon, we went to Ocean Park to play some adventurous games, like roller coaster.*

*We love to play those games because they were fun.*

*Finally in the evening, I sang happy birthday song to Karry when we got to the restaurant.*

*What a wonderful day! We love the adventurous games the most! I am delighted that I can do so many fun things with my best friend. I hope I will have another great birthday next year!*
