Dear Dave,

How are you? I am excited to know you will have a holiday with your grandma and cousins.

I will join you. For the Easter holiday plan, I have some suggestions. On day one, we will make cookies and prepare dinner with Grandma.

On day two, how about going to the beach for an Easter egg hunt? If not, what about building sandcastles with your cousins?

On day three, we can have a barbecue with our family. Let's set up a campfire.

I think we will have fun. I will prepare spades and Easter eggs. My mum will help me buy the things, but my dad cannot help because he needs to work.

Can you give me your grandma's address?

Write to me soon!

Love,
Ricky
