

# My Dream Zoo

By Chong Chit Yan, Gerald

In my dream zoo, there is a tiger.  
It is next to Gerald.  
It is orange and black.  
It has small ears and a long tail.  
It can run and walk.  
It cannot swim.

In my dream zoo, there is a zebra.  
It is next to my father.  
It is black and white.  
It has big ears.  
It can walk and run.  
It cannot fly or climb.
