**Sunny**

Today, my family and I went to the park and we flew a few kites. When I was flying my kites, suddenly a bird flew into my kite. I ran to check if it was stuck. I was crying. But then my mum saw me crying and had an idea to cheer me up. She took out some Disneyland tickets out of her pocket and walked to me and said, 'Don't feel sad. I've bought some Disneyland tickets. This was supposed to be your last year's birthday gift but we didn't use them. But we will use them today. Let's go!' After Mum said that, my mood changed to excited.

When we got there, it was already in the afternoon. We saw a very long queue at the entrance. It might be Sunday! Then, I rushed to the queue and started waiting. A while later, we finally got into Disneyland! After we played for five hours, we went to buy some food and ate it at home.

It was the happiest day of my life! I hope I can come back to Disneyland next time!
