

# My Hobby

## Pun Chun Hei, Amy

Sue talked about her hobbies with her friend, Mary and Tony last Friday. They were in the playground.

Then Tony asked, 'What do you enjoy doing in your free time?' May replied, 'I enjoy doing ballet.' Tony asked, 'How often do you do ballet?' May replied, 'I seldom do ballet.'

Sue, Mary and Tony were in the gym on Sunday morning. Sue and May tried to go up to the climbing wall. They felt tired, so Tony said, 'Let's try again next week.'

Then, they left the gym and Tony's parents brought the children to Pizza Hat to eat pizza and drink cola. After that, they went home. The kids were happy. They had a great day.
