

# I went Cycling

By Yeung Chun Hei. Daniel

Last week, I went cycling with Dad and my cousin, James. We went cycling in Sai Kung. We were excited. Dad asked, 'Have you prepared sandwiches for lunch yet?' James and I replied, 'We have already put them in the bike basket.'

On the way, James saw a yacht. James said, 'I have never seen such a beautiful view!' 'Click!' He took out his mobile phone and took a photo. I asked, 'How many times have you gone cycling?' James replied, 'I have gone cycling for five times.'

Suddenly, James lost control and make a 'Boom! Boom!' James cried, 'I got a large bump on my forehead.' Dad said, 'Luckily, you have worn a helmet to protect your head. It saved you.' I was scared.

In the end, we continued the journey. We enjoyed the great time together.
