A Detective Story

Mrs. Lee's phone was robbed by a young man last Saturday at three o'clock. She was shocked about the situation and headed into Rose Restaurant.

She asked the waiter to borrow a telephone and called 999. At ten past three, Detective Jonathan came and said, 'Let me lend you a hand.'

He started to interview Mrs. Lee and the people near her. Mrs. Lee said, 'This is the man in jeans sandals, with the sunglasses.' Detective Jonathan was all eyes and ears.

Finally, Detective Jonathan found three suspects that looked very alike! 'Are they triplets Mrs. Lee thought. The case was at the grey area. Suddenly, Detective Jonathan heard 'ring, ring' sound from the cup! 'Got you!' he shouted.

He arrested the man holding the cup and returned the phone to Mrs. Lee. 'Thanks a lot!' She gave Detective Jonathan a big box of chocolate.
