Animal Beauty Contest

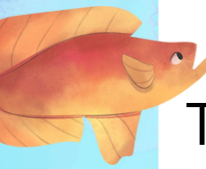

It is an animal beauty contest today. All the animals are in the zoo. For example, the tiger, the elephant, monkeys and other animals are running to the forest.

There are two competitors. One is giraffe and another one is rhino. The giraffe is 5 metres tall. It is yellow and brown. It has a long neck. It has many beautiful big brown spots.

The rhino is big. It is grey. It has two horns. It looks like a giant rock.

The animals are waiting for the winner. One hour later, the giraffe wins the animal beauty contest and it says, 'Hooray!'
